Exciting features!

AI Audio

AI generates audio from the entered student's name.

Pronunciation Perfect

AI audio supports phonetic override so long, Arabic, and dialect-based names are pronounced correctly with zero delay.

Announcement

Pre-generated audio, on-screen name display, and announcement run simultaneously in under 1 second after tap or scan.

4-in-1 Verification

RFID | UHF | QR Code | Face Recognition

RFID, UHF, QR Code, and Face Recognition are combined in one unified platform.

AMTIS SOLUTION

AURA

Automated Unified Recognition & Announcement.

RFID | UHF RFID | QR Code | Face Recognition

Identification Options

1.0 CLOSE PROXIMITY

- **RFID VERIFICATION** — Card is tapped near the reader.
- **ACCURATE** — One-by-one scanning improves accuracy.
- **SIMPLE & RELIABLE** — Easy and reliable for controlled use.
- **BEST FOR** — Controlled scanning points.

2.0 ULTRA HIGH FREQUENCY

- **LONG-RANGE DETECTION** — Automatically read from a longer distance.
- **FASTER PROCESS** — Speeds up queue movement.
- **HANDS-FREE DETECTION** — No tapping is required.
- **LARGE CROWD FLOW** — Suitable for large-scale events.
- **BEST FOR** — High-volume movement.

3.0 QR CODE

- **QR CODE VERIFICATION** — QR code is scanned for verification.
- **COST-EFFECTIVE** — No RFID card or tag is needed.
- **EASY TO USE** — Works with printed or digital QR code.
- **BEST FOR** — Flexible setup.

4.0 FACE RECOGNITION

- **FACE RECOGNITION** — Identity is verified automatically.
- **FULLY CONTACTLESS** — Smooth and modern user experience.
- **NO CARD REQUIRED** — Verification works without a card.
- **BEST FOR** — Flexible setup.

Pre-Convocation Management

1.0 ROBE MANAGEMENT

- **ROBE MANAGEMENT** — Manage robe collection and return.
- **TRACKING** — Monitor robe status and records.
- **BEST FOR** — Pre-convocation preparation.

2.0 CHECK-IN

- **QR CHECK-IN** — Scan QR Code for check in
- **IN-DEWAN STATUS** — Check attendace inside the hall
- **BEST FOR** — Hall capacity monitoring

3.0 PRE-RECORDED AUDIO

- **PRE-RECORDED AUDIO** — Inserts audio for graduate names.
- **CEREMONY READY** — Audio can play during name calling.
- **BEST FOR** — Smooth stage announcements.

4.0 LOWER THIRD DESIGN

- **LOWER THIRD** — Create and update on-screen lower thirds.
- **CUSTOMIZABLE DESIGN** — Highly customizable design powered by HTML/CSS
- **BEST FOR** — Custom live display design.
